**PENINSULAR & ORIENTAL STEAM NAVIGATION COMPANY.**

**NOTICE TO SHIPPERS OF FREIGHTS, &c.**

We facilitate the work of Shippers, the Company has arranged to receive any Treasure intended for shipment in their Steamers at their Office in the Queen's Road.

Notice is hereby given in this manner as follows:—

In the Shanghai Recorder we read that the rebels have taken the native city thirty miles from the foreign settlement at Newchwang.

The Intelligence bearing date 28th April, says that Newchwang, states that the natives Oby, 30 miles from the foreign settlement, has been taken by Rebels. The Tartar General Zuh, made off at the second night; and this official notice for his anti-league proceedings, will be replaced by Sun-to-Ping. Chinese-Jin, well known as signers at Peking as one of the rebel leaders in the Foreign Office; and who during 1895 was Supra-Intendant of Customs, has been appointed Civil Commissioner.

This important and alarming intelligence forms another of many indications which are heaped upon the other necessity of foreigners in China. The City of Newchwang is barely thirty miles from the foreign settlement at Yungtze; and when it is borne in mind that there is no protection in the form of walls or other defence, and that the country is quite open and the roads at this time, as good that a four or five hours ride might bring a band down upon it, some idea can be formed of the danger.
